

SUMMER CAMP THEMES 2023

Week 1 – June 12th- June 15th

Extreme Ecosystems

This week will be full of fun science explorations in our ecosystems as the kids act as clever scientists exploring our world around us. Let's learn & use our 5 senses to explore snow in Florida and gardening inside to beat the summer HEAT! Who doesn't love science, engineering, technology and math let's all be mad scientists this week!

Week 2 – June 19th-22nd

Inspiring Creative Artistic Minds

This is one of the best weeks of summer where we get to get messy, creative and have LOADS OF FUN! Campers will be able to enjoy painting, arts & crafts, as well as put their imaginations to the test and build their very own masterpieces. Bring clothes to get messy and change into because we will get covered in artistic expression.

Week 3- June 26th- June 29th

DIY- Figure It Out

Are you ready to show your skills in DO IT YOURSELF? Want to learn how to put your own initiative into building and repairing items and finding solutions. Let's create butter and different food the old fashion way! Can you make it in the wilderness? Learn survival skills and how to scout 101!

Week 4- July 10th- July 13th

Attack of the Brainiacs

This week will be playing brain games, going on scavenger hunts, and showing off our skills in a game show! Let's start brainstorming! Become a WIZ at being a WIZ KID! We will create mind game challenges like no other! Let's start putting our minds together!
