

Picolata Crossing Elementary School Parents,

I am happy to welcome you to the Village Extended Day before school and after school program at Picolata Crossing Elementary. Thank you for giving me the opportunity to share a part of your child's life along with you. I look forward to this opportunity.

My name is Marianne Stephens and I am the Program manager for the extended day program at Picolata Crossing Elementary. Here is a little bit about me. I was born and raised in Indianapolis, Indiana, where I also attended IUPUI and earned a bachelor's degree in physical education. Before my career with Village Extended Day in January, 2019, I worked with the Boys & Girls Clubs of Indianapolis(BGCI) for 20 years. I started as a youth development professional working directly with the youth in the gym, art room, learning center & games room. After graduating college, I earned my position as the Site Director of one of BGCI's after school programs in the Indianapolis Public School system where I remained until I made the move to Florida in 2018.

I am single and live with my cat, Basil. In my spare time, you can find me supporting the many sports teams from Indiana: my high school alma mater, Indiana University, Indianapolis Colts, Indiana Fever, Indiana Pacers and many more. I am trying to get on the Jaguars bandwagon :). You can also find me attending and volunteering at my church in Julington Creek.

Each school year promises to be exciting and full of new opportunities for learning, growth and having FUN for your children. Please contact me if you have any questions and/or concerns. My contact information is listed below.

All the best,

Marianne Stephens
